Vitrolife is a global biomedical corporation that works with products for cell and tissue technology. The Vitrolife group consists of the parent company, Vitrolife AB (Publ) and two wholly owned subsidiaries: Vitrolife Sweden AB (Gothenburg, Sweden), Vitrolife Inc. (Denver, Colorado). The group's operations focused on three geographic areas.

- Europe/Middle East
- The Americas
- Rest of the World

Vitrolife's business concept is to develop, produce and sell advanced products and systems for the preparation, cultivation, preservation and support of cells, tissues and organs.
