## EmbryoScope approved for sales in China

**Vitrolife AB (publ) has today received market approval for the time-lapse incubator EmbryoScope in China and thereby becomes the first company to market an approved time-lapse incubator in the world's largest IVF market.**

EmbryoScope is a time-lapse system with an integrated incubator with a capacity for six patients. Vitrolife is the market leader of time-lapse systems for use in assisted reproduction for undisturbed culture and improved selection of embryos. "There is a great interest for time-lapse in China and we are delighted to now being able to offer EmbryoScope to the clinics in China", says Thomas Axelsson, CEO of Vitrolife.
