

In light of the recent PGT-A class action lawsuit filings in a court in Florida, Vitrolife Group issues the following statement

Vitrolife Group is aware that a PGT-A class action lawsuit has been filed against Vitrolife AB (publ), Vitrolife Inc and Igenomix USA, Inc in the court of the Southern District of Florida, although no formal complaint has been served yet. During the fourth quarter of 2024, similar class actions were initiated in the US against other peer companies providing PGT-A testing services. Vitrolife Group will, together with our legal counsel in the US, evaluate the class action and its potential scope and update the market in due course when further information is available.
